Anything else you want us to know about your vehicle?

Participation is free, but we do ask that your vehicle remain on site for the duration of the event. Vehicles need to be on site for set up by 10:30 (main gates by the museum will be open for auto participants this year and will be shut at 10:30am), and can be removed at 4:30.

Visitors to the event will vote on their favorite aircraft and favorite car/truck. If there are enough motorcycle and "other" participants, these categories will also be awarded. Awards will be handed out prior to the end of the event.

The event committee shall have final approval of all vehicles/aircraft at any time and will determine the location of all exhibitor displays. By the agreement the Exhibitor will abide by all the rules and regulations determined by the event committee and the FAA. The event committee, the Oregon Aviation Historical Society, the Cottage Grove airport, and the event sponsors shall not be responsible or liable for any loss or damage of all or part of an exhibitor's display and the exhibitor hereby waives any and all rights he or she may have against them for such loss or damage. The event committee reserves the right to use photos of your exhibit for publicity purposes and the owner and/or exhibitor of the vehicle/aircraft waives all rights to compensation.
